

קדושה
לשחרית של שבת
(מילים לפי נוסח אשכנז)

לש"ץ ומקהלת בית כנסת

לחן מאת רות וינקלר
תשע"ט

Kedushah
for Shacharit on Shabbat

Music by Ruth Winkler

Vienna, 2019 / תשע"ט

Note:

This composition is written for use in synagogue service according to orthodox standards. It may not be sung by a female soloist during a (non-orthodox) "synagogue service", and due to the special character of the text it should not be used for concerts in general. In case you are interested in an instrumental version for concert, I will be able to provide one iy"H.

The exact division, which parts of the text will be sung by the community / a choir together with the ש"ץ may be arranged according to the Minhag of the specific congregation. Therefore the monophonic parts of this score do not specify "solo" or "soloist and choir".

(In case the choir prefers not to take part in measures 51-53 – ועינינו תראינה מלכותך – it is possible to omit the lower parts in these bars.)

This score contains the text transliterated into English letters (z = ז), according to modern Hebrew pronunciation. If you prefer a score with the text in Hebrew letters, or a transliteration according to a different system, feel free to tell me.
